Parent, Guardian, Coach, Team Manager and Club Obligations

It is the responsibility of clubs, through their coaches and manager, to ensure that each individual competitor is competent to safely compete in the conditions that prevail on any given day.

It is therefore the club's responsibility to ensure that competitors who are not competent to compete in the prevailing conditions are withdrawn from an event rather than expose them to unnecessary risk or potential harm by encouraging or coercing competitors to compete, particularly against their will. Please refer to statement (e) of the Agreement to be bound by the Manual section of the Surf Sports Competition Manual. The Manual can be found here.

It is the expectation of the organisers that all clubs will only permit competent competitors to compete in an event.

Dune and Environment Protection

As per all our events dune and environment protection is the responsibility of everyone and as members of Surf Lifesaving New Zealand, we ask you to please make sure you look after our beaches and sand dunes. If you see anyone walking through the dunes or placing equipment in areas they shouldn't be, please advise them to remove it or inform event management. Please make sure all rubbish is placed in the bins supplied or taken away with you.

Missing Person at Sea Responsibilities

Whether you are an Athlete, Official, In an IRB, Team Manager/Coach or a spectator, we all have a role to perform if someone goes missing in the water during an event or activity. Check out your role and how you may help in this situation by clicking [here](#).

Equipment:

Helmets

The Event Management Committee reserves the right, if conditions warrant, to require boat crews to wear helmets. All clubs should bring helmets to the competition if conditions warrant their use.

Competition Safety Vests

The wearing of high-visibility vests will be mandatory at this event. Supplying safety vests is a club's responsibility and must align with the SLSNZ guidelines for safety vests. This information can be found in the Equipment Specification Manual [here](#).

Medical Information:

Pre-Existing Medical Conditions

All participants and officials with a pre-existing medical condition must complete and submit a 'Pre-Existing Medical Conditions Declaration' form prior to the close of entries. These forms are to be submitted to the Event Management. Participants are, however, encouraged to submit these as early as possible. Once submitted, the forms will be reviewed by SLSNZ, and a decision will be made on whether a 'Competitor Waiver' form is required to be completed.

It is important to note that that a pre-existing medical condition includes a concussion event that has occurred prior to this event.

These forms are available through the website [here](#).

Concussion Protocol

1. Any person diagnosed with concussion within the 23 days (21 days for over 19 years) preceding a SLSNZ event or activity, who is not able to provide evidence of a Graduated Return to Play (GRTP), and provide a medical diagnosis and SLSNZ Medical Clearance, will not be permitted to compete in a SLSNZ event.
2. Any person observed or reported to have been unconscious during an SLSNZ event is not permitted to participate in any further SLS event or activity, pending participation in a 23-day GRTP (21 days for over 19 yrs), and provide a SLSNZ Medical Clearance before further competition is permitted.

3. Any person suspected of a concussion during a SLSNZ competition may not participate in any further races for at least 24 hours, and must provide SLSNZ with the required SLSNZ Medical Clearance before further participation is permitted.

4. Any person suspected or diagnosed with concussion who wishes to return to a SLSNZ competition must provide SLSNZ with a copy of a SLSNZ Medical Clearance, which is to be completed by a medical practitioner, prior to returning to competition.

Officials may be called upon by the ESO to call for volunteers, (qualified LGs, whom are competent swimmers, and whom have fins, goggles/mask, and preferably a wetsuit vest) from supporters, who are able and willing to take part in the search upon completion of a suitable briefing, to form supporter's search parties (SSP).
